

## MTC Online Zoom Meeting 4/11/22

19:06:37 From Tamie Swain to Everyone:

Harriet - please rename yourself with your last name and unit

19:14:32 From Yemm T146 to Everyone:

The 2020-2021 Minsi Trails Council annual report states: ,“Closing summer camp was an experience lost for our Scouts, and it also meant \$1.2 million in revenue lost for local Scouting,“and an immediate one-third reduction in the councils total 2020 revenue,“ Why would anyone want to sell two-thirds of the property which generated this level of income?

Is there not positive future ahead?

19:17:52 From Tamie Swain to Everyone:

Nancy - what is your unit number and last name?

19:19:15 From peter felton pack 32 to Everyone:

Is there anyone on the Executive Board that will receive a financial gain when the camp is sold. Directly or indirectly through their personal life.

19:21:10 From Adam Mikuchonis to Everyone:

Are all of the board members elected by the CORs?

19:21:44 From Magena Clemente Pack 86 to Everyone:

Why haven't the COR been addressed yet? They are voting members and they should have had a vote in this, a vote that represents their units.

19:21:46 From Doug Wootton Troop 51 to Everyone:

If the chartered Organizations elect the board, why were they not involved in the vote to sell TSR?

19:22:04 From Doug Smith - Troop 84 to Everyone:

What is the possibility that we make our financial contribution as a council and other councils do not meet their obligation which triggers the need for our council to be liable for more money in the future?

19:22:10 From megan smith--32 to Everyone:

what other options for paying the 2.6 million were considered?

19:22:14 From Chris Lubenetski to Everyone:

so you can be on the board and not be involved as a leader.

19:22:14 From Ben Glueck - Camp Trexler Program Director to Everyone:

Why is the Scouting CEO Rick Christ not here? He was the one who put out the original screenshots of the PDF's. He has not answered many of our questions, and it'd be a very normal thing to have your Scout exec at LEAST make an appearance.

19:22:54 From Jacob Hausman to Everyone:

Why isn't Rick Christ on this call to also address our questions and lead us through this situation? Not only my questions but several other questions that were sent to him have been passed along or unanswered. Where is our scouting CEO to lead us through one of the biggest changes in the history of the Minsi Trails council?

19:22:56 From megan smith--32 to Everyone:

Doug has a great question. I'd like some reassurance that this is it for us and we won't have to sacrifice anything else.

19:22:59 From Jay Feuerstein Akelaland, C1629, P90, T97G to Everyone:

Other councils have used endowment funds to make enough of a payment to keep all of their camps running. Why are we prioritizing protecting the donations over providing programming to youth, especially our Cub Scout youth who are having their program eliminated.

19:23:08 From Yemm T146 to Everyone:

Rules & Regulations of the BSA (publication 100-492) copyrighted 9/20 states on page 10 , "Chartered Organization Representatives are also members of the district committee and VOTING MEMBERS of the local council. Why were the COR's of the Minsi Trails Council omitted from a decision of such magnitude?

19:23:09 From Magena Clemente Pack 86 to Everyone:

Most COR's new nothing about selling the property. The should have been invited to be part of the meetings and discussions that took place.

19:23:12 From JT Cullen- Crew 940/Camp minsi to Everyone:

Yea why isn't Rick Crist here?

19:23:34 From Ben Glueck - Camp Trexler Program Director to Everyone:

That did NOT answer the question about the bylaws

19:24:13 From Adam Mikuchonis to Everyone:

Can a board member be added outside of that vote?

19:24:14 From Lou and Kelly Oravec - Troop 84 to Everyone:

I would also like to hear the response to Doug Smith's question.

19:25:05 From Ben Glueck - Camp Trexler Program Director to Everyone:  
It IS the role of the Scout Exec to be the face of the Council.

19:25:07 From AJ Renn- Head Commissioner TSR to Everyone:  
So COR,Äôs only vote for important matters wouldn,Äôt this be an important matter?

19:25:31 From Yemm T146 to Everyone:  
With an appraisal value of \$1.035million for the Service Center; \$3.855million for the Trexler Scout Reservation; and \$4.15million for Camp Minsi, Why wasn,Äôt a 20 year loan secured in the amount of \$4.5million to provide funding for the \$2.6million contribution and allow for financial relief as Scouting rebuilds? In spite of a current lackluster public view of Scouting, I would imagine that positive thinking leaders on the Executive board would seek out long term, positive goals to revitalize the image of Scouting, therefore creating growth. If it fails, then in 20 years declare bankruptcy.

19:26:05 From Adam Mikuchonis to Everyone:  
Can a board member be added to the board without being voted in by the CORs?

19:26:30 From Brady Bunner Pack 72 to Everyone:  
Were the COR reps informed of this monumental looming decision when they were voting for Board Members last December? Hey COR reps, just so you know, the people you are voting on this December are going to vote on whether or not to close Camp Trexler in 3 more months....

19:27:49 From Ben Glueck - Camp Trexler Program Director to Everyone:  
Who was everyone invited?

19:28:02 From Ben Glueck - Camp Trexler Program Director to Everyone:  
to the exploratory committee?

19:28:11 From Doug Wootton Troop 51 to Everyone:  
So you knew in Decemeber when the Board voting happened

19:28:20 From Nicole Hart to Everyone:  
Did you invite Scouts and volunteers in the conversation to identify what programming is most important to them?

19:29:40 From Adam Mikuchonis to Everyone:  
I'd like to hear more about the debt. I am of the understanding that the pool at Akelaland is part of that?

19:30:52 From Jacob Hausman to Everyone:

Why in one of the scenarios was an option to sell both Minsi and TSR? How would that benefit the council? Why was that option even on the table?

19:30:56 From Tamie Swain to Everyone:

Nancy - Please identify yourself

19:30:56 From Doug Smith - Troop 84 to Everyone:

I would think there is great risk in selling the properties and paying our portion before it is known whether all councils will meet their commitments - we could die a death by thousand cuts if we pay first and hope all will do the same.

19:31:11 From Daniel Riggins - Akelaland Staff to Everyone:

Camp Weygadt, sold to the federal government in 1968 for the Tocks Island Dam project, was part of an eminent domain project to build a dam on the Delaware river. The dam has obviously not been built, the stay for the federal government to complete the project has passed in the last 50 YEARS since the camp passed out of the control of the BSA. This means that the land reverts back to the original owner, that being Minsi Trails Council.

I propose that Camp Minsi is closed to pay off the debt, with the extra money being used to re-open Camp Weygadt.

19:31:59 From meghan smith--32 to Everyone:

have you considered reducing top level staff, ie highest paid to pay this debt?

19:33:33 From Adam Mikuchonis to Everyone:

How dare you try to tell US about the importance of camping?

19:33:44 From Brian Zappe T59 to Everyone:

Is there a way to save camp Trexler or is that a done deal.

19:33:45 From Edward Miller - Trexler Camp Staff to Everyone:

Why was an independent group not used to evaluate the camp.

19:33:57 From Doug Wootton Troop 51 to Everyone:

So Cubs are not important?????

19:34:03 From Adam Mikuchonis to Everyone:

OA membership REQUIRES camping

19:34:05 From Magena Clemente Pack 86 to Everyone:

I appreciate that you said it isn't required this time. Much better than saying "It isn't important."

19:34:18 From peter felton pack 32 to Everyone:

Camping in cubs creates longevity. Parents do not put their kids in scouts for crafts. Stop dismissing cubs

19:34:20 From Jacob Hausman to Everyone:

If I did not start camping at Akeleland, I would have left this program years ago. That first year determined my future and growth in this program to become the assistant program director at Trexler

19:34:29 From megan smith--32 to Everyone:

I feel like these programs provide more than just a small benefit. You are selling off precious memories and experiences that you can't put a price tag on.

19:34:40 From Nicole Hart to Everyone:

You are going to lose even more youth and leaders if you eliminate cub camping. You won't be able to sustain membership and MTC because your membership will decline steeply

19:34:42 From megan smith--32 to Everyone:

Have you seen the boys at the end of a week of camp?

19:34:48 From megan smith--32 to Everyone:

I have.

19:34:53 From Jay Feuerstein Akelaland, C1629, P90, T97G to Everyone:

If we had kept Trexler and sold part of Minsi, we could have had continued both a BSA summer camp and a Cub Scout Resident camp. Why was that not a consideration in this process?

19:35:07 From Adam Mikuchonis to Everyone:

Tell that to our children Ed. Your kids had their turn.

19:35:28 From Gabrielle Mikuchonis to Everyone:

His kids had there turn 30+ years ago

19:35:35 From Lou and Kelly Oravec - Troop 84 to Everyone:

Camping is an element of Cubs, and it may not be required to earn rank, but it provides the skills necessary to the future of the BSA program.

19:35:46 From Ben Glueck - Camp Trexler Program Director to Everyone:

When asked, Ed Cool said that they had NOT talked to the Wygadt Trust, or the Trexler Trust because ,Áit wouldn,Ät be worth it, they,Äre hard to work with, and while it,Äs been getting easier, we didn,Ät think they,Äd be open to turning over the needed funds!,Ä. We think that MTC should have at least TRIED to put the work in, and TRIED to obtain funding, if not, we all as Camp Staff, and members of MTC would have LOVED to help try and save our Camps PRIOR to a mishandled announcement of intent to sell. Why did MTC, the PAID employees not roll up their sleeves and find a solution that fits the will of the scouts?

19:35:54 From AJ Renn- Head Commissioner TSR to Everyone:

Then why would you get rid of a major camp that services more units within this council?

19:36:02 From Jacob Hausman to Everyone:

AKELELAND DOES! It is already set up

19:36:06 From Magena Clemente Pack 86 to Everyone:

Cub Scouts that camp adjust MUCH easier when they cross over to a troop. Camping is a huge part of Cub retention and we know without Cubs, there are no troops.

19:36:09 From peter felton pack 32 to Everyone:

Can the executive board please come up to Akelaland this year and tell the kids that akelaland that cub camp isnt required

19:36:14 From Doug Wootton Troop 51 to Everyone:

Trexler already does that

19:36:20 From Brian Zappe T59 to Everyone:

How many council units camp at Minsi?

19:36:29 From Tamie Swain to Everyone:

Document includes the sixteen scenarious we considered

19:36:39 From Edward Miller - Trexler Camp Staff to Everyone:

Who are the individuals on the board?

19:36:49 From Magena Clemente Pack 86 to Everyone:

Were they unit leaders of Cub Scouts?

19:36:53 From Tamie Swain to Everyone:

This was posted on the minsitrails.org website

19:36:55 From Yemm T146 to Everyone:

The Cub Scout camping program began in the Minsi Trails as the "brain child" of the 1st Council Executive, Clem Baynes in the early 1980's - he would roll over in his grave if he heard your statement, regarding Cub Camping.

19:37:00 From megan smith--32 to Everyone:

Can you put a link to the document in the chat, please, @Tamie?

19:37:12 From Doug Wootton Troop 51 to Everyone:

So you talked to a handful of leaders? Out of how many?

19:37:14 From Adam Mikuchonis to Everyone:

The savecamp-trexler.org website already gave those scenarios to us. Thank you.

19:37:35 From Tamie Swain to Everyone:

<https://www.minsitrails.org/> - this is the FAQ from the 3/17/2022 announcement on the home page

19:37:45 From Nicole Hart to Everyone:

You need to broaden your perspective outside of just your own experience. You need to listen to your members. Camping is essential for cubs and scouting.

19:37:50 From Brady Bunner Pack 72 to Everyone:

It breaks my heart to hear a senior executive leader conclude that camping isn't that important for young cubs.

19:37:52 From Edward Miller - Trexler Camp Staff to Everyone:

I ask once again, why was an independent group not used to evaluate both camps.

19:37:56 From AJ Renn- Head Commissioner TSR to Everyone:

So you want to wait for three years to build a new one at Minsi?

19:38:21 From AJ Renn- Head Commissioner TSR to Everyone:

A new cub camp

19:38:28 From Jay Feuerstein Akelaland, C1629, P90, T97G to Everyone:

We keep hearing that we can provide a Cub Scout Resident Camp Program at Camp Minsi in the future. Have you calculated out the possible replacement cost of adding the facilities we have at Akelaland at Camp Minsi?

19:38:34 From Magena Clemente Pack 86 to Everyone:

Considering the fact that Cubs are the future of the Scout BSA Troops, the ones that will keep the troops going, MAYBE you SHOULD focus on them!

19:38:41 From meghan smith--32 to Everyone:

People are going to stop putting their boys in Cubs scouts--you just made recruitment impossible

19:38:47 From Jacob Hausman to Everyone:

Please provide us with all of the details on how cubs will work at Minsi. New and separate facilities, new shower houses, new camp sites, a new/ bigger dining hall, etc. Sounds like money that you claim that we do not have

19:38:50 From Ben Glueck - Camp Trexler Program Director to Everyone:

Picked the best Camp to facilitate future programs? Mr. Ed Cool stated that part of the reason that they chose Trexler was because of facilities upkeep, and used the COPE course as an example. He said they'd rather do what Camp Minsi does and outsource things like that because it'd take a lot of money to bring the course up to par. But MTC has NEGLECTED to fund the COPE course for YEARS. MTC has ignored many of the COPE committee's, and COPE Director's plea's for additional funding/upkeep. How can you say that MTC thinks it's too expensive to upkeep things, when they've neglected our facilities for YEARS. They state that they can build new facilities at Camp Minsi, which will be just as, if not more expensive. Not to mention that much of the acreage at Camp Minsi is wetlands, and the local township around Camp Minsi is hard to obtain permits from. I want to save Camp Minsi as well, I'm just showing that what they're saying is misleading.

19:39:46 From Jay Feuerstein Akelaland, C1629, P90, T97G to Everyone:

The comparison also did not consider having a cub camp at Minsi. It only compared BSA camp to BSA camp. There was no consideration to having two facilities versus one. Why not?

19:40:09 From Adam Mikuchonis to Everyone:

Tell us about the dam at Trexler

19:40:31 From Edward Miller - Trexler Camp Staff to Everyone:

A 400 acre 3 foot lake?

19:40:54 From Adam Mikuchonis to Everyone:

Feature(s)? You only listed one.

19:41:14 From Jacob Hausman to Everyone:

What is wrong with the dam at Trexler? I was just on it this weekend and it is fine. Talking to the ranger Don, it is the less important lake minsi at TSR.

19:41:22 From Adam Mikuchonis to Everyone:

Minsi doesn't have internet throughout

19:41:24 From peter felton pack 32 to Everyone:

how can camp layout be the same when trexler has a pool and two dining halls

19:41:39 From megan smith--32 to Everyone:

EVERYONE has a phone with GPS--seriously?

19:41:45 From Magena Clemente Pack 86 to Everyone:

Does keeping Minsi have to do with the fact that you want to keep the income from the 60% out of council troops?? You assume you will get that 60% out of council troops AND 100% if the local units. Why not focus on what is important to YOUR council? Your job is to serve OUR youth and OUR volunteers.

19:41:46 From Brady Bunner Pack 72 to Everyone:

It's easier to explain directions to one????? No one has a smartphone?

19:41:49 From Adam Mikuchonis to Everyone:

We don't have an issue with people getting lost, I would know, they would be calling me.

19:41:51 From Kasey Pohl - Akelaland Staff to Everyone:

You keep comparing Trexler and Minsi but, you haven't mentioned Akelaland in your comparison.

19:41:54 From Jacob Hausman to Everyone:

GPS and google maps exists for a reason. They can find trexler just fine

19:42:04 From Nicholas Harms - Trexler Staff to Everyone:

When I camp I prefer to be away from the highways, hearing a highway from my site tends to be a downside

19:42:04 From Doug Wootton Troop 51 to Everyone:

How is land capacity the same when Minsi has a 400 acre lake???

19:42:04 From peter felton pack 32 to Everyone:

google maps takes you to the front gate how old are you

19:42:04 From Chris Lubenetski to Everyone:

209 to 534 N to Jonas Rd make a right, camp on right.

19:42:12 From Adam Mikuchonis to Everyone:

LIES!!!!!!

19:42:14 From Ben Glueck - Camp Trexler Program Director to Everyone:

Maybe we need a more "generationally appropriate" board member and mouthpiece of MTC

19:42:17 From Edward Miller - Trexler Camp Staff to Everyone:

What is so hard about explaining directions?

19:42:23 From Adam Mikuchonis to Everyone:

Its the LAKE MINSI DAM

19:42:23 From Daniel Riggins - Akelaland Staff to Everyone:

what is the problem with the spillway???

19:42:23 From Gabrielle Mikuchonis to Everyone:

There's nothing wrong with the dam

19:42:24 From Yemm T146 to Everyone:

Pa turnpike to Rt 209N to Rt534W - right onto Jonas Rd. Pretty simple to me.

19:42:26 From Lisa Empfield to Everyone:

WHAT????

19:42:27 From Ben Glueck - Camp Trexler Program Director to Everyone:

it is NOT lake trexler that has a dam issue

19:42:27 From Adam Mikuchonis to Everyone:

NOT the spillway

19:42:31 From Ben Glueck - Camp Trexler Program Director to Everyone:

it is lake MINSI

19:42:46 From Harriet Barone - T101 to Everyone:

Why is Ed talking about BSA?? The BSA created this situation by not protecting Scouts in the past. WHY ARE YOU LOOKING TO THEM FOR LEADERSHIP NOW?! I don't trust them to protect our Scouts now. We need to find our

own solutions to protect our Scouts and not write off the Cub Scouts and Trexler

19:42:53 From Adam Mikuchonis to Everyone:

What about the Trans bathrooms coming down from national?

19:42:59 From AJ Renn- Head Commissioner TSR to Everyone:

Did the council give the money to Trexler to build new shower houses

19:43:00 From Nicholas Harms - Trexler Staff to Everyone:

I have worked at Lake Trexler for 7 years and not once have I heard of an issue with that dam

19:43:03 From Ben Glueck - Camp Trexler Program Director to Everyone:

How easy is it to get permits at minsi?

19:43:16 From Adam Mikuchonis to Everyone:

My staff will fix that wall next weekend on my dime

19:43:16 From meghan smith--32 to Everyone:

Maybe time to address some of the questions in chat???

19:43:24 From Jay Feuerstein Akelaland, C1629, P90, T97G to Everyone:

Do you have information on the classification of the dams and the amount of impoundment of each? The risk of dams is rated on how large the lake is and the property value of the area downstream

19:43:28 From Jacob Hausman to Everyone:

So a crack in a wall is worse than an entire bridge and spillway at Minsi?

19:43:37 From Daniel Riggins - Akelaland Staff to Everyone:

HOW IS PROXIMITY TO TOHER ATTRACTIONS A GRADING POINT???? IT DOESN'T MATTER

19:43:42 From Stamps,Andy to Everyone:

So, you're basing a decision to sell on the fact that you can't tell someone how to get to Akelaland/TSR? Google Maps work great.

19:44:07 From Nicholas Harms - Trexler Staff to Everyone:

It becomes a populated area like around Minsi?

19:44:11 From Doug Wootton Troop 51 to Everyone:

So now you are talking hypotheticals??

19:44:11 From meghan smith--32 to Everyone:  
Push for the farmland to be protected--seems appropriate for scouts

19:44:16 From Adam Mikuchonis to Everyone:  
The farmers who are the same families that donated the land?

19:44:28 From Adam Mikuchonis to Everyone:  
Bumgartners? Snyders?

19:44:36 From Magena Clemente Pack 86 to Everyone:  
2 HUGE developments

19:44:38 From Adam Mikuchonis to Everyone:  
We KNOW them PERSONALLY

19:44:55 From Jacob Hausman to Everyone:  
Camp Minsi, Äôs lake is surrounded by housing. Nothing but trouble on the other side of that SHARED lake

19:44:56 From Adam Mikuchonis to Everyone:  
The community around TSR are NOT HAPPY

19:45:16 From Nicole Hart to Everyone:  
YEah, Trexler itself is going to get developed if this plan goes through.

19:45:19 From Ben Glueck - Camp Trexler Program Director to Everyone:  
How can you encroach if it's mostly wetland?

19:45:29 From Kaeli Waldstein- T85G/Trexler Staff to Everyone:  
They are not just residential developments but HUGE residential developments that share the lake and are too close for comfort.

19:45:38 From AJ Renn- Head Commissioner TSR to Everyone:  
Plants are good we all are IN THE WOODS ED

19:45:47 From Doug Wootton Troop 51 to Everyone:  
Why did you skip over Land capacity???

19:45:55 From Jacob Hausman to Everyone:  
There is a lot of , Äúmaybes, Äù and , Äúmay have, Äù and , Äúpotential, Äù. Why aren, Äôt we worried about NOW

19:45:56 From peter felton pack 32 to Everyone:  
so if you frack how will the kids be exposed to that

19:45:57 From Nicholas Harms - Trexler Staff to Everyone:  
how are you going to get permits to frack next to a massive lake?

19:46:21 From Stamps,Andy to Everyone:  
Drill, baby, drill?

19:46:21 From Adam Mikuchonis to Everyone:  
If youre selling the office what does it matter?

19:46:25 From peter felton pack 32 to Everyone:  
so you can use google maps now

19:46:40 From Jacob Hausman to Everyone:  
Oh so you do know about google maps? So again if you can calculate the distance from the service center people can get to TSR

19:46:40 From AJ Renn- Head Commissioner TSR to Everyone:  
They are both in the Poconos then by land in the Lehigh valley

19:46:43 From JT Cullen- Crew 940/Camp minsi to Everyone:  
you just said the maps were such a large issue

19:46:55 From Ben Glueck - Camp Trexler Program Director to Everyone:  
The ODH CAN be fixed, Ranger Don was just about to put a new beam in.

19:47:02 From Adam Mikuchonis to Everyone:  
We already have the wood, materials, and a person to do the work on the ODH.

19:47:03 From Laila Labib - Akelaland Staff to Everyone:  
This survey is biased and does not take into account Akelaland and their facilities

19:47:08 From Ben Glueck - Camp Trexler Program Director to Everyone:  
Lots of OPINIONS here, Ed.

19:47:12 From Doug Wootton Troop 51 to Everyone:  
ODH is a part of history. We have been attempting to restore it for years. If council would have helped, it might already be done

19:47:16 From Jim Muscatell - Pack 8 to Everyone:  
My Pack has a direct Trexler descendent and says Harry Trexler would be rolling over in his grave.

19:47:17 From Magena Clemente Pack 86 to Everyone:

Maybe we should have used some of the endowment fund over the years to fix them.

19:47:17 From Adam Mikuchonis to Everyone:

WE LOVE THE ODH

19:47:31 From Nicole Hart to Everyone:

Lots of talking and not a lot of answering questions,Ä¶

19:47:34 From Adam Mikuchonis to Everyone:

Nope, we looked into it.

19:47:41 From AJ Renn- Head Commissioner TSR to Everyone:

If the council gave money to the problem it would be fixed

19:47:42 From Doug Wootton Troop 51 to Everyone:

Yeah and council is not helping with ODH

19:47:43 From Lisa Empfield to Everyone:

according to who?

19:47:45 From Jacob Hausman to Everyone:

Crew 1928 had over 20,000 dollars raised in our account to fix that building. COUNCIL TOOK IT FROM US. Where did the money go??

19:47:46 From Nicholas Harms - Trexler Staff to Everyone:

how could we do that when the council has neglected it fore years?

19:47:47 From Gabrielle Mikuchonis to Everyone:

We're in the process of restoring it

19:47:50 From Adam Mikuchonis to Everyone:

It's not just a shop its a HUGE program area

19:47:59 From AJ Renn- Head Commissioner TSR to Everyone:

So you want the ranger hard to find and can not be accessed

19:48:16 From Lou and Kelly Oravec - Troop 84 to Everyone:

It hasn,Äôt been a problem since 1928!

19:48:21 From Adam Mikuchonis to Everyone:

That is COMPLETELY untrue

19:48:26 From Harriet Barone - T101 to Everyone:  
This sounds like you are justifying a bad decision.

19:48:29 From Doug Wootton Troop 51 to Everyone:  
Minsi is almost all water!!!!!!!!!!1

19:48:37 From Edward Miller - Trexler Camp Staff to Everyone:  
What do you expect to use the wetlands for? You cant go hiking through that.

19:48:39 From Ben Glueck - Camp Trexler Program Director to Everyone:  
Wow...this is bad.

19:48:42 From Lisa Empfield to Everyone:  
the older shop could be torn down and move everything to the newer4 bay shop

19:48:53 From Chris Lubenetski to Everyone:  
TSR was to have 2 Rangers with a new house built by the entrance in late 1990's. Never happened.

19:48:59 From Doug Wootton Troop 51 to Everyone:  
The system is flawed

19:49:03 From Gabrielle Mikuchonis to Everyone:  
This is painful to listen to

19:49:20 From Kaeli Waldstein- T85G/Trexler Staff to Everyone:  
"Economical diversity" also known as wetlands that cannot be used for hiking or camping on. What does it matter if the land is not usable for the purposes of scouting??

19:49:22 From peter felton pack 32 to Everyone:  
No one in the group factored akelaland because hey are out of touch with cub scouts

19:49:48 From Adam Mikuchonis to Everyone:  
How are the dining halls equal when TSR has 2?????\

19:49:57 From Magena Clemente Pack 86 to Everyone:  
Minsi scored more points for its big lake than Trexler received for having the pool, nature lodge, and Cub Camp. How does that make sense?

19:50:00 From Ben Glueck - Camp Trexler Program Director to Everyone:

Hey all, this is very unproductive. Check out "The 1928 Coalition" if you would like a say in fighting against this injustice.

19:50:03 From Laila Labib - Akelaland Staff to Everyone:  
Cub scouts are the future of scouting!!

19:50:16 From peter felton pack 32 to Everyone:  
why then does trexler have more attendance

19:50:17 From Nicole Hart to Everyone:  
Magena you are spot on.

19:50:27 From Adam Mikuchonis to Everyone:  
COUNCIL UNIT PREFERENCE...,Ä¶,Ä¶.

19:50:29 From Stamps,Andy to Everyone:  
There's a pool at TSR!

19:50:41 From AJ Renn- Head Commissioner TSR to Everyone:  
What about holding over 400 scouts for an event? Where can that be replicated at Minsi?

19:50:56 From Chris Lubenetski to Everyone:  
He's just trying to justify it himself. probably hasn't been to camp in a long time. If I donate \$10,000 and become a James E. West Alumni, can I be on the Executive Board too?

19:50:59 From Gabrielle Mikuchonis to Everyone:  
There's a pool at Trexler, how can you rate Minsi higher for swimming?

19:51:03 From Magena Clemente Pack 86 to Everyone:  
A big lake is MORE important the Cub Scouts???

19:51:08 From Mark Kimoto to Everyone:  
shouldn,Äôt council unit preference carry a MUCH higher weight than other considerations?

19:51:40 From Adam Mikuchonis to Everyone:  
SHOP TYPE MERIT BADGES went to TREXLER but apparently the shop is an issue....

19:51:50 From Harriet Barone - T101 to Everyone:  
I don't see the fact that Trexler is HISTORIC. There is a museum and a historic trail that Scouts and leaders are proud of. You are

completely discounting Akelaland - there is NO CUB SCOUT camp at Minsii. You are just discounting the Cubs and they become Scouts, you will lose even more members!

19:51:58 From Timothy Lloyd to Everyone:

At what cost? \$10m??

19:52:03 From Jacob Hausman to Everyone:

You know why Trexler has a better range? Crew 1928 independently raised that money and built it themselves

19:52:08 From Doug Wootton Troop 51 to Everyone:

What is at Minsi that cant be built at Rexler?

19:52:09 From Nicole Hart to Everyone:

Can we have a meeting where our questions are actually addressed?

19:52:13 From Lisa Empfield to Everyone:

minsi has a 5 stand shoot in shotgun

19:52:15 From peter felton pack 32 to Everyone:

but you never will regenerate because it cost money

19:52:17 From Laila Labib - Akelaland Staff to Everyone:

You can stand into deepest part of the MInsi lake!!

19:52:18 From Lou and Kelly Oravec - Troop 84 to Everyone:

If we don,Äôt invest time and energy into the youngest scouts, Cubs, the program will not rebuild because older boys do not join Scouts!

19:52:26 From Nicholas Harms - Trexler Staff to Everyone:

If membership is going down like you say, how do you plan on coming up with the funds to regenerate these?

19:52:31 From Gabrielle Mikuchonis to Everyone:

The answer is CLEARLY Trexler

19:52:33 From meghan smith--32 to Everyone:

So if I have a 5 year old who goes this year--but then has no other camp experience?

19:52:49 From Brian Zappe T59 to Everyone:

If you sell Trexler your 4000 scouts will become 400 inside 2 years

19:53:00 From Chris Lubenetski to Everyone:

if you want to go to a camp just because of a large lake, go to Camp Rodney.

19:53:02 From Jacob Hausman to Everyone:

WE DONT HAVE TIME. We are going to lose hundreds of scouts while we are supposedly rebuilding. And who is going to build all of these things? THE VOLUNTEERS. FOR FREE. Why didn,Äôt we have a say?

19:53:05 From Edward Miller - Trexler Camp Staff to Everyone:

Not even 2 years, more like 2 months

19:53:14 From Ben Glueck - Camp Trexler Program Director to Everyone:

This isn't even just about emotioin

19:53:18 From Harriet Barone - T101 to Everyone:

You cannot "regenerate" the history of Trexler, not to mention that Harry Trexler left the property for the express purpose of creating a Scout Camp. We are going against his wishes, it is morally wrong.

19:53:21 From Kasey Pohl - Akelaland Staff to Everyone:

Long term future?? There is not future without the Cubs!

19:53:22 From Nicole Hart to Everyone:

It's not about emotional attachment, it's about the future of scouting. Cub scouts are our future.

19:53:28 From peter felton pack 32 to Everyone:

so if units do not attend minsi then wont it kill scouting

19:53:31 From Adam Mikuchonis to Everyone:

ADMIN BUILDING went to MINSI but ours is bigger and being used as an ADMIN BUILDING

19:53:35 From Doug Wootton Troop 51 to Everyone:

The numbers dont lie. Trexler can hold more campers between the 2 camps at TSR

19:53:48 From peter felton pack 32 to Everyone:

you say you had no joy but you were making jokes about it?

19:53:59 From Brian Zappe T59 to Everyone:

My unit has no interest in attending Minsi, if Trexler closes we will likely go out of Council

19:54:01 From Adam Mikuchonis to Everyone:

They've done it there already, IT DOESNT WORK

19:54:16 From Nicholas Harms - Trexler Staff to Everyone:

What is going to happen when you sell the property that generates the vast majority of active staff, volunteers, OA youth, and NYLT youth? This will be the end of active youth in our council

19:54:17 From Walt Witucki, Ship 940 to Everyone:

Respectfully, I think we have had enough of the personal insults.

19:54:17 From peter felton pack 32 to Everyone:

no family wants a weekend

19:54:28 From Laila Labib - Akelaland Staff to Everyone:

Why go into debt building a new Akelaland when we have one

19:54:31 From Magena Clemente Pack 86 to Everyone:

You said that you didn't have any plans to have a Cub Camp, right after you said camping wasn't important in Cub Scouts.

19:54:35 From peter felton pack 32 to Everyone:

We need time when kids are out of school

19:54:38 From Jacob Hausman to Everyone:

Wait I thought you just said earlier that cub camping isn't required and doesn't make an impact?

19:54:39 From Doug Wootton Troop 51 to Everyone:

How is Minsi going to have room for their normal troops, Trexler's normal troops, AND a potential cub scout resident camp?? Trexler is much more equipped to take Minsi's troops

19:54:39 From Laila Labib - Akelaland Staff to Everyone:

who will staff these cub weekends

19:54:46 From megan smith--32 to Everyone:

I really think ALL of you need to come to camp at the end of a week--then you will know that weekends are not enough

19:55:04 From Magena Clemente Pack 86 to Everyone:

Who will staff cub camp? That requires 2 different staffs.

19:55:12 From Chris Lubenetski to Everyone:

Not proposing a Cub Camp at Minsi because the plan is to sell Camp Minsi within 5 years, merge with NEPA Council and fund Goose Pond SR and make Camp Akehla the Cub Camp.

19:55:17 From Ben Glueck - Camp Trexler Program Director to Everyone:

Walt - respectfully, we're not being respected, also what personal insults? We're saying what THEY say.

19:55:20 From Gabrielle Mikuchonis to Everyone:

NEPA's council's cub camp is far inferior to Akelaland

19:55:23 From Jacob Hausman to Everyone:

So we are going to send OUR cubs to another council??? And loose more scouts and money?

19:55:32 From Heather Heeter to Everyone:

Has anyone taken into account the fact that Trexler is always 100% staffed each year and Minsi is not. What happens when you can,Äôt staff summer camp? I know my son will not transfer to Minsi.

19:55:35 From Magena Clemente Pack 86 to Everyone:

SO, we should take our cubs where you want us to so that you get some free money from them?

19:55:43 From Adam Mikuchonis to Everyone:

NO ONE can do what AKELALAND can

19:55:46 From meghan smith--32 to Everyone:

Are these camps easier to get to?

19:55:49 From peter felton pack 32 to Everyone:

maybe we can recharter in one of these councils that have cub camps

19:55:51 From Yemm T146 to Everyone:

Distance to Akelaland from Allentown is one of my parents major reasons for NOT going to camp. Those other camps are even farther away!!

19:55:55 From Doug Wootton Troop 51 to Everyone:

If all councils have to pay into this, they are likely not going to split their cub camp profit with you, so we lose MORE money

19:55:58 From Harriet Barone - T101 to Everyone:

Everyone in this council doesn't live by the office.

19:56:13 From peter felton pack 32 to Everyone:  
weekend camp is not resident camp

19:56:15 From Magena Clemente Pack 86 to Everyone:  
Akelaland cannot be replaced.

19:56:22 From Ben Glueck - Camp Trexler Program Director to Everyone:  
Our Motto here in Scouting is , 'Be Prepared,' . Ed Cool Stated on a phone call that , 'We could have waited until everything was ready, but we just wanted to get the announcement out there,' Why was MTC not prepared to announce this MASSIVE change? They should have been prepared to address our scouting community. Why did they not have meetings scheduled and ready to go with the announcement, why did they rush out the announcement email and forget to include all attachments (which were just screenshots of a PDF, which is not accessible/friendly to people with limited vision). Why is Rick Christ hiding, not coming into the office, and passing off response duties?

19:56:25 From Mark Kimoto to Everyone:  
has it been considered that all of these other council could also shutter their cub resident camps due to the underutilization, thus leaving the cub scouts with nothing?

19:56:41 From Lauren Kade- Akelaland Staff to Everyone:  
Mr Ed Cool just acknowledged that the range at TSR is better than Minsi, yet he stated that this could be "regenerated" at Minsi. As the asst. shooting sports director at Akelaland, I would like to know why the location of my range relevant to the camp store (trading post) is relevant and factored into this decision.

19:56:46 From Doug Wootton Troop 51 to Everyone:  
no its not

19:56:51 From Magena Clemente Pack 86 to Everyone:  
Again, which experienced scouter were Cubmasters and worked directly with cubs?

19:56:54 From Gabrielle Mikuchonis to Everyone:  
It is not

19:56:55 From megan smith--32 to Everyone:  
What if you don't get the money you need from the sale?

19:56:55 From Laila Labib - Akelaland Staff to Everyone:  
FALSE

19:56:58 From Harriet Barone - T101 to Everyone:

How can BSA be trusted to rate camps, if they can't keep Scouts safe??

19:57:40 From AJ Renn- Head Commissioner TSR to Everyone:

Oh skip all the real questions about the camps that you are selling?

19:57:49 From peter felton pack 32 to Everyone:

will the board come up to akelaland this summer and stress to these kids that akelaland is not as important as the lake at minsi

19:58:24 From Ben Glueck - Camp Trexler Program Director to Everyone:

Ed Cool said that they didn't have those meetings until JUST NOW

19:58:48 From Daniel Riggins - Akelaland Staff to Everyone:

Weygadt was the original camp Minisi, why not get that back, it is the rightful property of this council

19:58:48 From Jacob Hausman to Everyone:

Thats great that you were highly involved in this whole process but why weren,Äôt we informed through this whole process?

19:58:52 From Ben Glueck - Camp Trexler Program Director to Everyone:

He said they didn't bother asking the Weygadt or Trexler Trust because they didn't think theyd get an answer

19:59:08 From Max Barone-Camp Trexler to Everyone:

did you talk to them like you "talked" to camps staff?

19:59:18 From Magena Clemente Pack 86 to Everyone:

Why do we have loans on things that were gifted to the camp?

19:59:32 From megan smith--32 to Everyone:

Perhaps if you weren't eliminating camp, I'd donate to friends of scouting

19:59:43 From Edward Miller - Trexler Camp Staff to Everyone:

The bylaws are written that the CORs are voting members of all meetings. It does not say that their only responsibility is to vote for the board. The by laws state they are to be notified of all meetings but that is not what occurs.

20:00:10 From Magena Clemente Pack 86 to Everyone:

FOS will definitely suffer from this.

20:00:14 From Walt Witucki, Ship 940 to Everyone:

Camp Weygadt was never owned by the then Easton Council / Delaware Valley Area Council. Hence, when sold, the assets did not transfer to a Council owned trust.

20:00:14 From Chris Lubenetski to Everyone:

Let's see the budgets for all 3 camps, both resident and weekend camping.

20:00:15 From Harriet Barone - T101 to Everyone:

Have you looked at the option of fundraising or getting investments from Alumni and community in addition to our Scouting families.

20:00:16 From Jacob Hausman to Everyone:

I would have donated 1,000 right on the spot if there was an issue that could end up selling the camp

20:00:31 From peter felton pack 32 to Everyone:

Does any of the board members look to receive a financial gain once the camp is sold through their personal life like the members who are in the financial world

20:00:33 From Edward Miller - Trexler Camp Staff to Everyone:

So why are their people touring the camp to look at it to purchase.

20:00:50 From Yemm T146 to Everyone:

Is there any projected date regarding the bankruptcy finalization?

20:01:04 From Ben Glueck - Camp Trexler Program Director to Everyone:

You COULD say that you need money for the situation though

20:01:04 From Jacob Hausman to Everyone:

Rebuilding an entire cub scout camp takes a lot longer than fundraising

20:01:14 From Ben Glueck - Camp Trexler Program Director to Everyone:

we wouldn't need specifics

20:01:22 From Ben Glueck - Camp Trexler Program Director to Everyone:

Why did the MTC Executive board decide that it wasn't worth trying to fundraise? They said it wouldn't look great optically to fundraise for the National Abuse Lawsuit/Settlement, but I guarantee if Minsi Trails had said something like, 'hey everyone, we have a massive

settlement to pay off, now, other Councils are selling their Camps or raising costs, we don't want to do that, we're looking to explore fundraising options, what would you all like to do to fundraise the necessary funds so that we can keep our costs manageable, and keep our beloved Camps? It's not hard to think of ways to do this, even if it's hard, Scouting is about getting things done, working hard, and sticking to your values. Why did MTC not think finding other options were important enough to consider?

20:01:41 From Bill Lamberti T50 to Everyone:

Could we see a written summary of all the options that were considered? I suspect there are other creative options to consider.

20:02:12 From Matthew Nuzzi to Everyone:

I personally came from out of council to work as minis staff because my camp was sold and mines was the only camp I could find with a developed aquatics department. From 10+ sunfish to a large lake. I think if you sold the lake you would loose an asset, and resident camp is directly for scouts.

20:02:14 From Doug Wootton Troop 51 to Everyone:

So start fundraising

20:02:18 From Ben Glueck - Camp Trexler Program Director to Everyone:

But Rick Christ was FOR selling both Camps

20:02:52 From Max Barone-Camp Trexler to Everyone:

so is your argument seriously that council is to incompetent to pull off a fundraiser when you have staff, volunteers, and troops that could help?

20:02:56 From Bill Lamberti T50 to Everyone:

What is the amount we need?

20:02:56 From peter felton pack 32 to Everyone:

what happens if we default on this loan

20:03:11 From Daniel Riggins - Akelaland Staff to Everyone:

Why can't we sell Minisi and get Weygadt so that we can pay off the settlement and still have two camps?

20:03:44 From Chris Lubenetski to Everyone:

Get Weygadt back and sell it. dah

20:03:49 From Magena Clemente Pack 86 to Everyone:

Rumor has it that Lake Naomi offered to purchase Camp Minsi for the amount that it appraised at and deed it to Minsi Trails council. WHY wouldn't we jump on that.

20:03:49 From AJ Renn- Head Commissioner TSR to Everyone:  
This will kill membership

20:03:51 From peter felton pack 32 to Everyone:  
membership will continue to decline if we lose cubs

20:03:51 From megan smith--32 to Everyone:  
But this makes membership less attractive

20:04:02 From Brady Bunner Pack 72 to Everyone:  
If we need \$2.6M and will receive \$1.5M selling the executive offices by the airport that's only \$1.1M left to raise.

20:04:03 From Jacob Hausman to Everyone:  
What happens when we default on this loan? We can,Äôt keep taking on all these loans

20:04:05 From Bill Lamberti T50 to Everyone:  
What is the annual deficit?

20:04:10 From megan smith--32 to Everyone:  
Have you considered getting rid of top leadership?

20:04:13 From Max Barone-Camp Trexler to Everyone:  
so membership is declining so your selling the last chance you have to make some back?

20:04:17 From megan smith--32 to Everyone:  
That would free up some money

20:04:24 From peter felton pack 32 to Everyone:  
we are losing cubs because council keeps cutting cub events

20:04:49 From AJ Renn- Head Commissioner TSR to Everyone:  
Don,Äôt we have a balanced budget in the council though

20:04:55 From peter felton pack 32 to Everyone:  
why does council continue to decline events if they want to grow the program

20:04:57 From Doug Smith - Troop 84 to Everyone:

I know these are tough decisions and a tough process for all of us. I can,Äôt imagine the difficult discussions you all have had to go through. We are better together as an organization and as a team we will get through this.

20:05:06 From Alex Heeter to Everyone:

if we need membership then keep Akalaland as most young cubs get hooked on scouting from there and continue in the program. they won't get that from a day camp/weekend

20:05:09 From Ben Glueck - Camp Trexler Program Director to Everyone:

When did you talk to Wygadt Trust?

20:05:11 From Kasey Pohl - Akelaland Staff to Everyone:

We are just starting to get our numbers back up from Covid. I went from 1 Lion to 10 in my den alone!

20:05:21 From Adam Mikuchonis to Everyone:

Wasn't the pool donated?

20:05:22 From peter felton pack 32 to Everyone:

why wont anyone answer my question on financial gains of board members

20:05:24 From Jacob Hausman to Everyone:

We are a nonprofit. Why are we talking about profit so much?

20:05:31 From Brady Bunner Pack 72 to Everyone:

I feel like there was something that was discouraging people from gathering together for the last 2 years that might have contributed to a decline...

20:05:35 From Timothy Lloyd to Everyone:

Pool was donated

20:05:43 From Magena Clemente Pack 86 to Everyone:

What is the debt for?? The pool was a gift from Mr. Baker. Why do we have a loan on it??

20:05:44 From Adam Mikuchonis to Everyone:

Where did the \$800,000 pool donation go?

20:06:18 From Ben Glueck - Camp Trexler Program Director to Everyone:

I also wonder about Magena's question about the pool

20:06:19 From Adam Mikuchonis to Everyone:

How do we have pool debt if the pool was donated?

20:06:20 From meghan smith--32 to Everyone:

IF you move camps farther away, have you considered that fewer cubs will be able to attend

20:06:21 From Yemm T146 to Everyone:

The 2020=2021 Annual Report states that the loss of Camp Revenue was \$1.2million - what was the profit from 2019 spent on???

20:06:23 From peter felton pack 32 to Everyone:

okay so your firm doesn't invest in property development

20:06:28 From Harriet Barone - T101 to Everyone:

Membership should improve. It went down due to covid and we are starting to recover, we started a Pack and getting new Scouts

20:06:36 From Doug Wootton Troop 51 to Everyone:

The how did Rick Christ make over \$200,000 in 2019?

20:07:12 From Ben Glueck - Camp Trexler Program Director to Everyone:

Please answer Magena's question

20:07:15 From Edward Miller - Trexler Camp Staff to Everyone:

Most of our troop do not go to Minsi

20:07:31 From Jacob Hausman to Everyone:

If we close Trexler, we WILL NOT be moving to Minsi. Same for the staff. You can,Ät expect us all to just pick up and go to Minsi

20:07:32 From Yemm T146 to Everyone:

Membership in my feeder Pack has grown from 8 in 2020 to 14 in 2021 - we need support from the Council to keep this trend going.

20:07:49 From Heather Heeter to Everyone:

The pool at Trexler was a donation, how is this a debt?

20:07:56 From AJ Renn- Head Commissioner TSR to Everyone:

What is the debt for?? The pool was a gift from Mr. Baker. Why do we have a loan on it??

20:08:01 From Doug Wootton Troop 51 to Everyone:

Are you ging to open up for audio questions??

20:08:05 From Nicholas Harms - Trexler Staff to Everyone:

I too want to know where the \$800,000 donation for the pool went

20:08:09 From Trey Wachob - Akelaland Staff/Lodge Chief to Everyone:

Speaking of the improvements that each camp needs, have we added up the total potential costs of these improvements for each camp? To see which one has a greater cost for improvement.

20:08:12 From Adam Mikuchonis to Everyone:

Why do we still owe money on the pool?

20:08:14 From Alex Heeter to Everyone:

if you sell trexler I can speak for almost all of the staff we are likely done with the program.

20:08:20 From Heather Heeter to Everyone:

We get countless surveys asking our options on the scouting program, why was a survey regarding this issue sent out?

20:08:21 From peter felton pack 32 to Everyone:

We discussed our the values of scouting. My question is how did our CFO openly bully and body shame women in the office yet he hasn't even had to apologize to the memebers. does the executive staff not follow the same guidlines

20:08:21 From AJ Renn- Head Commissioner TSR to Everyone:

So you skip a lot of questions and cherry pick what you want

20:08:26 From Chris Lubenetski to Everyone:

How much profit did each camp make over the last 5 years?

20:08:27 From Jacob Hausman to Everyone:

Where did the pool money go towards?

20:08:31 From Jim Muscatell - Pack 8 to Everyone:

My pack has 13 new Scouts this year out 24 total.

20:08:53 From JT Cullen- Crew 940/Camp minsi to Everyone:

yea but its crazy to assume they will come to minsi, ive spoken to so many troops that are adamant about just leaving the council. I don't want either camp sold but this feels so flawed

20:09:01 From Chris Lubenetski to Everyone:

I thought the pool was fully funded when built.

20:09:06 From Gabrielle Mikuchonis to Everyone:

It was a donation

20:09:08 From peter felton pack 32 to Everyone:

I have 13 kids going to camp this year so I have to tell them this might be it for them?

20:09:13 From Edward Miller - Trexler Camp Staff to Everyone:

So are we planning on pushing our scouts out of council? Cub camping doesn't seem like a priority. It seems like 2-3 years out to plan for this.

20:09:14 From JT Cullen- Crew 940/Camp minsi to Everyone:

all of this reasoning seems flawed

20:09:15 From AJ Renn- Head Commissioner TSR to Everyone:

No you didnt

20:09:30 From Doug Wootton Troop 51 to Everyone:

but you keep mentioning the pool

20:09:32 From Harriet Barone - T101 to Everyone:

Have you considered investors in the property?

20:09:43 From Adam Mikuchonis to Everyone:

What all was in the group? The donated ECon building?

20:09:59 From peter felton pack 32 to Everyone:

can we talk about the culture in council right now?

20:10:01 From Jacob Hausman to Everyone:

If someone donates money to a pool, it should just go towards the pool. Not other projects. If you dont have the details though, why are you throwing info out then?

20:10:19 From Brady Bunner Pack 72 to Everyone:

There have been reports of at least one, maybe more, generous benefactors who have offered to purchase Camp Trexler at near market price and Gift it back to MTC and that those offers have been declined by the Board. If the executive property is sold for \$1.5M and someone else is willing to even pay 1/2 of the assessed value of Trexler and gift it back it sounds like the money would not be an issue anymore.

20:10:24 From Chris Lubenetski to Everyone:

What would the Executive Board do if a \$4 million donation came in to council? Would they reevaluate?

20:10:25 From Gabrielle Mikuchonis to Everyone:

The Weygadt Trust Dining Hall at Minsi? Was that included

20:10:41 From Alex Heeter to Everyone:

How can the camps be a financial burden when they are high sources of income for council?

20:10:51 From Doug Wootton Troop 51 to Everyone:

Why cant i unmute myself or raise my hand to ask a question?

20:10:53 From megan smith--32 to Everyone:

The real work is explain this to our boys.

20:11:34 From Magena Clemente Pack 86 to Everyone:

Rumor has it that Lake Naomi offered to purchase Camp Minsi for the amount that it appraised at and deed it to Minsi Trails council. WHY wouldn't we jump on that?? Then, we could have the money needed and keep our camp. That would be best case scenario, wouldn't it?

20:11:40 From Jacob Hausman to Everyone:

The volunteers are the ones left to maintaining the property

20:11:42 From peter felton pack 32 to Everyone:

i think the executive staff needs to start building a bridge with the units

20:11:44 From Mark Kimoto to Everyone:

I have been working at Settlers as an out-of-council and out-of-state staffer since 2018. Several out-of-council troops I have interacted with, including my own, have preferred Settlers over their home council camp because of the superb enthusiasm and quality of the staff and program offerings. Troops from all over the country laud what we do at Settlers. While in-council troops are obviously important, are we just going to ignore the value that Settlers provides to Scouts that I have been told is not found anywhere else? And moreover, my local council has no Cub resident camp and because of that, Packs continue to fold and with shrinking feeder packs, membership is declining as well ,Ài+my troop,Àôs feeder pack folded recently and we are worried about the future of my troop. Do you want to see that pattern of the collapse of Scouting in MTC?

20:11:52 From Harriet Barone - T101 to Everyone:

Is it even legal to sell TSR? It was given by Harry Trexler to create a Scout Camp in the Poconos.

20:11:54 From Gabrielle Mikuchonis to Everyone:

There is nothing wrong with the Lake Trexler Dam

20:11:57 From Adam Mikuchonis to Everyone:

"immediate loss of 1/3 of the budget...,"

20:12:05 From Yemm T146 to Everyone:

In 2018 the Summer Camp handed \$660,379 in profit after expenses!

20:12:22 From Ben Glueck - Camp Trexler Program Director to Everyone:

Who asked the youth that?

20:12:45 From megan smith--32 to Everyone:

Have you considering asking parents if they'd pay more? Couldn't we find several smaller solutions instead of this one big one?

20:12:51 From Harriet Barone - T101 to Everyone:

Trexler also had investments in new latrines a couple of years ago.

20:13:14 From Edward Miller - Trexler Camp Staff to Everyone:

When were the units poled about their feelings and their thoughts?

20:13:20 From megan smith--32 to Everyone:

Cubs need camping opportunities

20:13:21 From peter felton pack 32 to Everyone:

you never have asked up until now why will you start asking now

20:13:22 From Jacob Hausman to Everyone:

Why didn't we talk to people about what they needed BEFORE selling a property?

20:13:28 From Brady Bunner Pack 72 to Everyone:

There absolutely is more work to do. To undo the irreversible damage a handful of people are about to do.

20:13:34 From Doug Wootton Troop 51 to Everyone:

I thought there was going to be a Q&A?? Not type your question in so it doesn't get seen

20:13:46 From Yemm T146 to Everyone:

In 2018 Summer Camp was only outdone by the Friends of Scouting campaign.

20:13:55 From peter felton pack 32 to Everyone:  
what will happen to the scout shop

20:14:06 From meghan smith--32 to Everyone:  
Perhaps fewer paid staff at the top?

20:14:14 From Heather Heeter to Everyone:  
The volunteers you are counting on, are the ones you are betraying.  
How are you projecting to replace us?

20:14:15 From Magena Clemente Pack 86 to Everyone:  
So why take out the loan in addition to selling 2 properties?

20:14:16 From Edward Miller - Trexler Camp Staff to Everyone:  
The executive board is not listening to our volunteers why? If we  
have two year to figure this out why did we rush this vote and descision  
at this point?

20:14:22 From Max Barone-Camp Trexler to Everyone:  
if it is up to all of us WHY did YOU make a decision that is  
clearly hated befor talking to the staff ar the troops?

20:14:22 From peter felton pack 32 to Everyone:  
what will happen to the scout shop

20:14:31 From Chris Lubenetski to Everyone:  
in 1984, the Council had 1 DE per district, 2 secretaries, 1  
registar, a council executive and 2 Assistants with 4x the membership.  
And no computers! Let's have a staff that is proportionate to the  
present day membership..

20:14:31 From peter felton pack 32 to Everyone:  
where will we buy everything we need

20:14:40 From Heather Heeter to Everyone:  
Shop on-line

20:14:59 From peter felton pack 32 to Everyone:  
that is not an option if a unit doesn't have a credit card

20:15:00 From Mark Kimoto to Everyone:  
it,Äll be pretty difficult to grow membership without cub  
camping,Ä

20:15:03 From Yemm T146 to Everyone:

What was the \$660,379 from 2018 Summer Camp spent on - this is the figures AFTER Summer Camp expenses were paid.

20:15:26 From Lauren Kade- Akelaland Staff to Everyone:

Can we please circle back to how cub camp is deemed, "unnecessary"?

20:15:28 From Adam Mikuchonis to Everyone:

Explain what is wrong with the dam at Trexler please

20:15:32 From peter felton pack 32 to Everyone:

i want to talk about the service center

20:15:47 From Edward Miller - Trexler Camp Staff to Everyone:

If we sell Trexler as is with all the equipment where will we get the money to improve Minsi?

20:15:52 From Alex Heeter to Everyone:

I agree with ed here we have 2 YEARS to come to a resolution why did we immediately vote with not even a unanimous vote?

20:15:54 From Doug Wootton Troop 51 to Everyone:

I want to be able to TALK and not type

20:15:56 From Harriet Barone - T101 to Everyone:

Recruitment has always focused on Cub Scouts, we need more recruitment incentives for Scouts.

20:16:08 From Gabrielle Mikuchonis to Everyone:

What is wrong with the dam at Lake Trexler?

20:16:16 From Jacob Hausman to Everyone:

20:16:18 From Magena Clemente Pack 86 to Everyone:

and in 2021 you had the Mormans come

20:16:22 From peter felton pack 32 to Everyone:

What will happen to council if units do not recharter

20:16:24 From Daniel Riggins - Akelaland Staff to Everyone:

why not do what somebody had proposed: Get Weygadt and then sell it back to the Delaware water gap, it is free income

20:16:43 From Heather Heeter to Everyone:

Will a written response to all of the questions asked be provided?

20:16:46 From AJ Renn- Head Commissioner TSR to Everyone:

20:17:12 From Edward Miller - Trexler Camp Staff to Everyone:

It sounds like we are 10+ year out from building Minsi up to make it enough for all our units with all the things we need.

20:17:20 From Adam Mikuchonis to Everyone:

The LDS ladies are coming to Camp Trexler in June.

20:17:21 From Jacob Hausman to Everyone:

Cub camp also runs a stem camp.

20:17:23 From Magena Clemente Pack 86 to Everyone:

That is all great, but it doesn't help Cubs.

20:17:36 From Harriet Barone - T101 to Everyone:

But didn't the LDS girls rent out Trexler for a week at the end of camp??

20:17:43 From Adam Mikuchonis to Everyone:

They did

20:17:44 From JT Cullen- Crew 940/Camp minsi to Everyone:

i would've/ and many kids do think that boy scouts are just lame and theres a bad stigma about it, cub scouts is the best way to fight that, Shouldn't be so dismissive

20:17:49 From Adam Mikuchonis to Everyone:

And we loved having them

20:18:29 From Magena Clemente Pack 86 to Everyone:

20:18:48 From peter felton pack 32 to Everyone:  
my unit will never do FOS again

20:18:54 From Ben Glueck - Camp Trexler Program Director to Everyone:  
Lots of legal loopholes, why did MTC employees have to take a pay cut during covid, PPP loans don't allow that

20:19:03 From Gabrielle Mikuchonis to Everyone:  
You still haven't explained what's wrong with the dam at Lake Trexler

if the dam is such a safety concern, give us the info to correct the problem

20:19:40 From megan smith--32 to Everyone:

20:20:02 From Ben Glueck - Camp Trexler Program Director to Everyone:  
and MORALLY straight

20:20:05 From Jacob Hausman to Everyone:  
Its not about that TSR is being sold. It is the fact that ANY camp is being sold

20:20:18 From Ben Glueck - Camp Trexler Program Director to Everyone:  
at lake MINSI

20:20:20 From Adam Mikuchonis to Everyone:  
No. We have the report.

20:20:20 From peter felton pack 32 to Everyone:  
what about the executive breeding a culture of bullying and dishonesty

20:20:20 From Chris Lubenetski to Everyone:  
which dam?

20:20:26 From Ben Glueck - Camp Trexler Program Director to Everyone:  
you've been telling everyone lake TREXLER

20:20:27 From Adam Mikuchonis to Everyone:

It is LAKE MINSI

20:20:32 From Adam Mikuchonis to Everyone:

NOT LAKE TREXLER

20:20:36 From Gabrielle Mikuchonis to Everyone:

At lake Minsi not Lake Trexler

20:20:39 From AJ Renn- Head Commissioner TSR to Everyone:

That can be fixed by the VOLUNTEERS that take care of the camp

20:20:42 From Jacob Hausman to Everyone:

AT LAKE MINSI Not at lake trexler

20:20:43 From Alex Heeter to Everyone:

that's lake minsi not trexler

20:20:44 From Magena Clemente Pack 86 to Everyone:

I guess you mean the 40% of troops would be upset. Now only 60% of troops and 100% of packs are upset. No comparison, right?

20:20:50 From Yemm T146 to Everyone:

We are losing a Cub Camp that was a life long dream of the 1st Scout Executive of Minsi Trails Council - this is really sad.

20:20:55 From peter felton pack 32 to Everyone:

so you will lose cobs without camp

20:21:02 From Michael Enochs to Everyone:

At lake minsi not at lake trexler

20:21:14 From Ben Glueck - Camp Trexler Program Director to Everyone:

more misleading

20:21:15 From Gabrielle Mikuchonis to Everyone:

We don't need lake Minsi

20:21:22 From Jacob Hausman to Everyone:

So more rebuilding of a mother building at minsi- the nature lodge. That building was donated and very expensive to build

20:21:34 From Ben Glueck - Camp Trexler Program Director to Everyone:

what?!

20:21:36 From Alex Heeter to Everyone:

cub recruit will plummet due to this

20:21:39 From Adam Mikuchonis to Everyone:

There are TWO lakes at Camp Trexler

20:21:39 From Gabrielle Mikuchonis to Everyone:

?

20:21:43 From Harriet Barone - T101 to Everyone:

Cub camp is how you retain Cubs and they become Scouts, you will not get back members without Cub camp

20:21:44 From Doug Wootton Troop 51 to Everyone:

So again, no AUDIO questions????

20:21:44 From megan smith--32 to Everyone:

I think you are not thinking of the future--there's no BSA without cubs and why would cubs join with no camping and all of the opportunities camp provides

20:21:47 From Chris Lubenetski to Everyone:

Ed, if it is only the spillway that is deteriorating then that is a easier fix.

20:21:49 From Adam Mikuchonis to Everyone:

LAKE TREXLER and LAKE MINSI

20:21:52 From Magena Clemente Pack 86 to Everyone:

Did Lake Naomi offered to purchase Camp Minsi for the amount that it appraised at and deed it to Minsi Trails council? WHY wouldn't we jump on that.

20:21:58 From Ben Glueck - Camp Trexler Program Director to Everyone:

That doesnt answer what you've been telling people

20:21:58 From Nicholas Harms - Trexler Staff to Everyone:

That did not clarify anything about the dam

20:22:03 From Daniel Riggins - Akelaland Staff to Everyone:

so there isn't a problem at trexler?

20:22:08 From AJ Renn- Head Commissioner TSR to Everyone:

I,Äôm now more confused

20:22:09 From Jay Feuerstein Akelaland, C1629, P90, T97G to Everyone:

Is there a process by which districts interested in joining a council with a Cub Scout resident camp can disaffiliate with Minsi trails and affiliate with a council that has a Cub Scout Resident camp? There is significant interest in this and we know this was done when Anthracite left NEPA.

20:22:12 From Walt Witucki, Ship 940 to Everyone:

Ed, can you please clarify for the folks the issue with Lake Minsi at TSR (spillway) and Lake Trexler at TSR (drain pipe)

20:22:24 From Harriet Barone - T101 to Everyone:

I'm completely confused - which dam at which camp has to be rebuilt??

20:22:35 From Brady Bunner Pack 72 to Everyone:

Seems rushed to sell any of the camps sighting declining membership at the very lowest spot while we are poised to rebound out of the pandemic. What will happen if enrollment rebounds and now we can't afford to buy a camp back for more capacity?

20:22:37 From Doug Wootton Troop 51 to Everyone:

Can you stop screen sharing please?

20:22:45 From peter felton pack 32 to Everyone:

im not driving to minsi to buy awards

20:22:56 From peter felton pack 32 to Everyone:

i put enough time and money into the program

20:23:01 From Ben Glueck - Camp Trexler Program Director to Everyone:

WE ALL HAVE A BETTER SOLUTION

20:23:04 From Brian Zappe T59 to Everyone:

I'm sure one of your charter churches would be willing to donate space to run the scout store

20:23:04 From Chris Lubenetski to Everyone:

Ed, did you know there are 2 Lakes at TSR? So you just said Stillwater Lake's dam is deteriorating. what is wrong with Lake Minsi'? Lake Trexler's?

20:23:29 From AJ Renn- Head Commissioner TSR to Everyone:

Oh its a pond now

20:23:33 From Adam Mikuchonis to Everyone:

THATS THE ONE THATS BAD

20:23:34 From Gabrielle Mikuchonis to Everyone:  
sad doesn't even begin to describe it. This is an absolute travesty

20:23:35 From Michael Enochs to Everyone:  
Pond???

20:23:38 From Adam Mikuchonis to Everyone:  
NOOOOOOOOOO

20:23:45 From Ben Glueck - Camp Trexler Program Director to Everyone:  
THAT'S WHAT WE'RE SAYING

20:23:47 From Adam Mikuchonis to Everyone:  
YOU HAVE IT BACKWARDS

20:23:49 From Kaeli Waldstein- T85G/Trexler Staff to Everyone:  
Pond?

20:23:53 From Gabrielle Mikuchonis to Everyone:  
needs work? according to whom?

20:24:01 From Doug Wootton Troop 51 to Everyone:  
So then why is the bridge at camp minsi still roped off after 2 yaers

20:24:02 From Chris Lubenetski to Everyone:  
Change the song to "Old Pond Minsi"

20:24:12 From peter felton pack 32 to Everyone:  
the service center is a waste because no one is there but the scout shop is important im not driving to minsi to buy awards and if we cannot get awards for cubs we will lose more cubs

20:24:15 From Jacob Hausman to Everyone:  
So we,Äöre worried about what the state MIGHT say but not what the volunteers HAVE BEEN TELLING YOU

20:24:26 From Ben Glueck - Camp Trexler Program Director to Everyone:  
Wait, what?

20:24:40 From Trey Wachob - Akelaland Staff/Lodge Chief to Everyone:

Have we looked into the estimated cost to do the repairs at each camp, and totalled them up? To see which camp has a larger cost for fixing

20:25:04 From Daniel Riggins - Akelaland Staff to Everyone:

there are plenty of engineers within the scouting program, ask one to inspect both dams to see if there are problems, be ready before the state shows up

20:25:11 From Chris Lubenetski to Everyone:

you listen to Vollies for that but not about anything else?

20:25:13 From peter felton pack 32 to Everyone:

What if you have units refuse to recharter until you actually present a plan for the future

20:25:14 From Edward Miller - Trexler Camp Staff to Everyone:

Could someone please read the portion of the bylaws that says that CORs only vote for the board members?

20:25:36 From Heather Heeter to Everyone:

DCNR can recommend improvements to the spillway, but it is not required and regulated like dams and bridges are.

20:25:44 From Doug Wootton Troop 51 to Everyone:

So is there going to be another meeting where we can actually ASK questions????

20:25:51 From Harriet Barone - T101 to Everyone:

We have vaccines now, we won't go into lockdown for 2 years.

20:26:13 From peter felton pack 32 to Everyone:

Can we talk about the culture in council

20:26:13 From Lisa Empfield to Everyone:

Any thoughts to expanding the kitchen at Minsi if it will have an influx of attendance that kitchen is too small

20:26:15 From Brady Bunner Pack 72 to Everyone:

Has a sale commitment been entered into yet for Trexler?

20:26:35 From Magena Clemente Pack 86 to Everyone:

Did Lake Naomi offer to purchase Camp Minsi for the amount that it appraised at and deed it to Minsi Trails council? WHY wouldn't we jump on that??

20:26:36 From Laila Labib - Akelaland Staff to Everyone:

But that is no longer a concern as all three council camps ran a successful program last summer

20:26:41 From Chris Lubenetski to Everyone:

So which Dam is it? Pond Minsi or Lake Trexler?

20:26:55 From peter felton pack 32 to Everyone:

so are we just going to ignore we have an issue with the executive leadership

20:26:58 From Daniel Riggins - Akelaland Staff to Everyone:

get an engineer to check out the dams, then we can find out what any of these "problems" are

20:27:04 From Adam Mikuchonis to Everyone:

Is the property being shown?

20:27:06 From Kaeli Waldstein- T85G/Trexler Staff to Everyone:

Answer Magena's question please.

20:27:12 From Edward Miller - Trexler Camp Staff to Everyone:

Have the costs that are necessary at each camp been tallied and compared? Which would have come out as the cheaper option?

20:27:12 From Adam Mikuchonis to Everyone:

Is the property being shown?

20:27:14 From Brady Bunner Pack 72 to Everyone:

Might the Board re-evaluate the plan if membership rebounds or if a generous benefactor comes forward?

20:27:18 From Magena Clemente Pack 86 to Everyone:

Lake Naomi offered to gift us the camp!!!

20:27:26 From Max Barone-Camp Trexler to Everyone:

Doug has a good question when will there be a time to unmute and actually voice specific questions?

20:27:33 From Adam Mikuchonis to Everyone:

Is the property being shown?

20:27:42 From Adam Mikuchonis to Everyone:

Really?

20:27:49 From peter felton pack 32 to Everyone:  
Can we speak about the culture in minsi right now

20:27:50 From Mark Kimoto to Everyone:  
please speak to the proposition from lake naomi

20:27:58 From Timothy Lloyd to Everyone:  
YES THE PROPERTY IS BEING SHOWN

20:28:04 From Ben Glueck - Camp Trexler Program Director to Everyone:  
More lies

20:28:06 From Magena Clemente Pack 86 to Everyone:  
They wanted to purchase it for over 4 Million dollars and gift it to us, they want it to remain a camp.

20:28:08 From Ben Glueck - Camp Trexler Program Director to Everyone:  
the property is being shown

20:28:16 From peter felton pack 32 to Everyone:  
why the memebrs are upset and no one will answer these questions

20:28:17 From megan smith--32 to Everyone:  
Culture is something you need to consider.

20:28:19 From Ben Glueck - Camp Trexler Program Director to Everyone:  
THAT'S CALLED BEING SHOWN

20:28:20 From Magena Clemente Pack 86 to Everyone:  
YES the property is being shown!!

20:28:22 From Laila Labib - Akelaland Staff to Everyone:  
If the membership of the council finds this decision unacceptable, is there a process where they can replace the current board or is there another way to have their concerns addressed?

20:28:26 From Ben Glueck - Camp Trexler Program Director to Everyone:  
Then why didn't you correct her?

20:28:33 From Chris Lubenetski to Everyone:  
Yes, Veterans Group was at camp looking at it. was looking to buy it.

20:28:39 From megan smith--32 to Everyone:  
Everyone knows it is for sale--it is not a secret

20:28:42 From Magena Clemente Pack 86 to Everyone:  
Valor was there a week and a half ago!!

20:28:43 From Ben Glueck - Camp Trexler Program Director to Everyone:  
Okay, so less "a lie" and more "misleading"

20:28:46 From meghan smith--32 to Everyone:  
you don't need a sign

20:28:52 From Ben Glueck - Camp Trexler Program Director to Everyone:  
wow

20:29:14 From Magena Clemente Pack 86 to Everyone:  
Lots of misleading goin on Ben!

20:29:15 From Daniel Riggins - Akelaland Staff to Everyone:  
so what if nobody wants to buy either camp? you can't sell it the  
nobody

20:29:22 From Harriet Barone - T101 to Everyone:  
Is it legal to sell TSR? What does Harry Trexler's will stipulate?

20:29:27 From Ben Glueck - Camp Trexler Program Director to Everyone:  
WOW IF ONLY YOU WERE PREPARED

20:29:27 From Brady Bunner Pack 72 to Everyone:  
I hope there is willingness to reconsider the final plans after the  
bankruptcy is done.

20:29:29 From Ben Glueck - Camp Trexler Program Director to Everyone:  
WOW

20:29:30 From peter felton pack 32 to Everyone:  
So you don't want to talk about the culture but we are supposed to  
follow a standard the executive staff wont

20:29:33 From meghan smith--32 to Everyone:  
There's a high level of frustration among your members right now.

20:29:41 From meghan smith--32 to Everyone:  
you need to think about that too

20:29:50 From Heather Heeter to Everyone:  
Why?

20:29:51 From Ben Glueck - Camp Trexler Program Director to Everyone:  
Why?

20:29:57 From JT Cullen- Crew 940/Camp minsi to Everyone:

When selling the camp, shouldn't we prioritize keeping them open by selling to an entity that has intent to keep it going, that seems the most valuable to me and it keeps the program alive for the youth

20:30:02 From peter felton pack 32 to Everyone:

but no one will answer these questions outside this venue

20:30:08 From Max Barone-Camp Trexler to Everyone:

I'm sorry I was recovering from the answer. did you say that tonight when you have 3 districts and the camp staff here is somehow not the time to answer questions????

20:30:28 From Ben Glueck - Camp Trexler Program Director to Everyone:

even if this is how it HAD to be, there was a better way to do this!

20:30:34 From Heather Heeter to Everyone:

The volunteers you are counting on, are the ones you are betraying. How are you projecting to replace us?

20:30:45 From peter felton pack 32 to Everyone:

I still don't believe my Webelos will have the opportunity for eagle at this rate

20:31:01 From Ben Glueck - Camp Trexler Program Director to Everyone:

If we can't trust you to handle the announcement and fallout, how can we trust you to handle this sale?

20:31:04 From Ben Glueck - Camp Trexler Program Director to Everyone:

Okay

20:31:08 From peter felton pack 32 to Everyone:

i Am looking for the Board member to address it but they wont

20:31:10 From Ben Glueck - Camp Trexler Program Director to Everyone:

the Camp directors are here from each camp

20:31:20 From Ben Glueck - Camp Trexler Program Director to Everyone:

let us talk about staff then

20:31:25 From Max Barone-Camp Trexler to Everyone:

Ok so when will we have our own meeting for this?

20:31:38 From Doug Wootton Troop 51 to Everyone:

What about how you announced this to everyone? Why were the Trexler and Akelaland staffs not told beforehand so we could at least have time to process before everyone else found out?

20:31:38 From Edward Miller - Trexler Camp Staff to Everyone:

Too late

20:31:45 From Harriet Barone - T101 to Everyone:

I haven't heard any mention of the almost hundred year history of Camp Trexler. That counts for a lot.

20:31:50 From peter felton pack 32 to Everyone:

Do you think Facebook was the best way to let your hear about this

20:31:56 From Ben Glueck - Camp Trexler Program Director to Everyone:

Camp Minsi Camp Director is here, Camp Trexler Camp Director is here, and Akelaland Camp director is here

20:31:56 From Heather Heeter to Everyone:

How, you have not asked our options

20:31:59 From Timothy Lloyd to Everyone:

We really need a plan for the cubs.

20:31:59 From Ben Glueck - Camp Trexler Program Director to Everyone:

we can talk about staff

20:32:03 From Gabrielle Mikuchonis to Everyone:

We don't feel let down, we feel absolutely betrayed

20:32:22 From peter felton pack 32 to Everyone:

What if units refuse to recharter until we see a plan and get answers

20:32:27 From Timothy Lloyd to Everyone:

Covid should have helped bring in scouts.

20:32:39 From AJ Renn- Head Commissioner TSR to Everyone:

Ut something back we won,Äôt be able to afford it when we close down

20:32:39 From Doug Smith - Troop 84 to Everyone:

Let,Ãs all work together to get through this - I think this financial issue is just accelerating some tough issues we need to address. How to properly support our mission, living within our means, and right sizing to the future participation rates we expect. It sounded like even in 2017 we were not cash positive if we needed to take out a loan so maybe a 1 camp infrastructure is all we can focus on.

20:32:40 From Max Barone-Camp Trexler to Everyone:

and your selling your opportunities to get them back

20:32:42 From Magena Clemente Pack 86 to Everyone:

It would be sad to lose scouts over this. We are definitely going to lose volunteers over this.

20:32:46 From Jacob Hausman to Everyone:

LMAO DOUGS SIGN

20:32:48 From Edward Miller - Trexler Camp Staff to Everyone:

Why has there been no response to parents and volunteer on social media?

20:32:50 From Daniel Riggins - Akelaland Staff to Everyone:

please let Mr. Wootton speak

20:32:51 From Donna Rex-Frantz; T501 & C77; L to Everyone:

And you're going to lose more volunteers!

20:32:51 From Heather Heeter to Everyone:

We get countless surveys asking our options on the scouting program, why was a survey regarding this issue NEVER sent out?

20:32:57 From Yemm T146 to Everyone:

Scouting went thru a terrible time in the 1970's - is there anything we can learn from that experience to turn around our membership?

20:33:14 From Kasey Pohl - Akelaland Staff to Everyone:

Family camp cannot compare to the programming and staffing at the resident cub camp at Akelaland.

20:33:19 From Kaeli Waldstein- T85G/Trexler Staff to Everyone:

Please let Mr Wootton speak.

20:33:32 From Chris Lubenetski to Everyone:

Yes, the Pandemic hit hard and it will take a while to rebuild, gaining people who aren't afraid to go out to meetings, but what is the board doing for recruitment?

20:33:38 From JT Cullen- Crew 940/Camp minsi to Everyone:  
so many people are losing their home, those people are the same  
your counting on

20:33:39 From Miller Pack 57 to Everyone:  
Akeland has been awesome for Cubs!!

20:33:54 From Brady Bunner Pack 72 to Everyone:  
things not available in other youth programs like... outdoor  
camping?

20:33:55 From Max Barone-Camp Trexler to Everyone:  
please let Doug talk he has been asking for awhile now

20:34:06 From Magena Clemente Pack 86 to Everyone:  
With almost 100 years of history, there has been so many donations  
at Trexler , not to mention that the property was a gift. I don't believe  
you will get the same support at Minsi-- people just truly love and are  
loyal to Trexler.

20:34:19 From Michael Enochs to Everyone:  
Please let Mr. Wootton speak

20:34:20 From Harriet Barone - T101 to Everyone:  
Has anyone looked into renting the property for special events?

20:34:23 From peter felton pack 32 to Everyone:  
why when we feel council doesn't support us or the mission

20:34:34 From Kaeli Waldstein- T85G/Trexler Staff to Everyone:  
Please let Mr. Wootton speak

20:34:35 From Jacob Hausman to Everyone:  
My unit,Äôs morals are dead. We lost our home camp

20:34:36 From Magena Clemente Pack 86 to Everyone:  
I am not going anywhere, but volunteers will drop.

20:34:36 From Daniel Riggins - Akeland Staff to Everyone:  
Please let Mr. Wootton speak

20:34:51 From Gabrielle Mikuchonis to Everyone:  
Every youth I have spoken to is heart broken by this

20:34:52 From Harriet Barone - T101 to Everyone:  
Hosting community events can generate some income and members.

20:35:02 From Brian Zappe T59 to Everyone:  
Without Trexler there is no program for many of your units

20:35:11 From meghan smith--32 to Everyone:  
If we aren't getting support, how can we provide the quality programming that the youth needs? These are platitudes and we deserve MORE.

20:35:20 From AJ Renn- Head Commissioner TSR to Everyone:  
please let Mr. Wootton speak

20:35:24 From AJ Renn- Head Commissioner TSR to Everyone:  
please let Mr. Wootton speak

20:35:25 From AJ Renn- Head Commissioner TSR to Everyone:  
please let Mr. Wootton speak

20:35:26 From AJ Renn- Head Commissioner TSR to Everyone:  
please let Mr. Wootton speak

20:35:26 From Mark Kimoto to Everyone:  
my troop does serve the youth by going to an out-of-council camp that is much more high quality than my home camp, and the camp that my troop has chosen is Trexler! Keeping Settlers and Akelaland open WILL serve the youth

20:35:27 From AJ Renn- Head Commissioner TSR to Everyone:  
please let Mr. Wootton speak

20:35:32 From peter felton pack 32 to Everyone:  
You are not providing the program you are taking away the cub program

20:35:35 From Kaeli Waldstein- T85G/Trexler Staff to Everyone:  
Please let Mr. Wootton speak

20:35:41 From Magena Clemente Pack 86 to Everyone:  
Maybe it has been too long and you have lost touch...

20:35:45 From Max Barone-Camp Trexler to Everyone:  
you are SELLING a lot of that program, you are killing our chance to do the thing you claim to want

20:35:49 From Harriet Barone - T101 to Everyone:

Please let Mr. Wootton speak

20:36:03 From Michael Enochs to Everyone:

Please let Mr. Wootton speak

20:36:04 From Gabrielle Mikuchonis to Everyone:

We are here because you are betraying the youth

20:36:04 From Brian Zappe T59 to Everyone:

I cant serve the youth without a camp to take them to

20:36:06 From Magena Clemente Pack 86 to Everyone:

Yes, I am here for the Cubs that love Akelaland.

20:36:10 From Ben Glueck - Camp Trexler Program Director to Everyone:

Why do you keep shifting the blame to us?!

20:36:17 From Chris Lubenetski to Everyone:

So, let's get the board out fundraising and getting sponsors. See what Resica Falls SR did. ironically, Tom Harrington was Executive and redid the camp.

20:36:23 From Edward Miller - Trexler Camp Staff to Everyone:

No we are not here for you but you are not listening to the youth and volunteers

20:36:50 From Doug Smith - Troop 84 to Everyone:

I think you were unmuted the wrong Doug

20:37:01 From Doug Wootton Troop 51 to Everyone:

9086727197

20:37:15 From Jacob Hausman to Everyone:

Wow they disrespected doug by that

20:37:31 From peter felton pack 32 to Everyone:

how will Cubs get certain awards if they don't have camp like shooting sports but yet you are saying you are trying to provide a great program

20:37:39 From Max Barone-Camp Trexler to Everyone:

he WAS asking in the chat

20:37:44 From Heather Heeter to Everyone:

Camp Minsi has a HUGE mosquito issue because it is built on a wetland.

20:37:47 From Ben Glueck - Camp Trexler Program Director to Everyone:  
Glad we can make jokes during this time of distress for so many of us

20:38:04 From Ben Glueck - Camp Trexler Program Director to Everyone:  
Wow, throw it back on me

20:38:08 From Daniel Riggins - Akelaland Staff to Everyone:  
the phone is muted

20:38:25 From peter felton pack 32 to Everyone:  
Ed do you want to address how you made jokes about camp closing like don't worry we will have plenty of staff in 2 years?

20:38:43 From Magena Clemente Pack 86 to Everyone:  
I don't think the Cubs will be laughing when they don't have camp :/

20:39:01 From Alex Heeter to Everyone:  
Very true

20:39:04 From Timothy Lloyd to Everyone:  
Minsi is a swamp and unbuildable

20:39:23 From Magena Clemente Pack 86 to Everyone:  
1 merit badge that you can't do at Trexler

20:39:35 From Matthew Nuzzi to Everyone:  
Aquatics is a key point of scouting and there are many merit badges that require it.

20:39:42 From Ben Glueck - Camp Trexler Program Director to Everyone:  
How easy is it to get permits at Camp Minsi?

20:39:47 From Alex Heeter to Everyone:  
yeah Minsi is all wetlands how can you build anything there

20:40:04 From Magena Clemente Pack 86 to Everyone:  
Only 1 aquatics merit badge that can't be done at Trexler

20:40:07 From Ben Glueck - Camp Trexler Program Director to Everyone:

Why has Minsi had such a hard time building and getting permits in the past?

20:40:24 From Chris Lubenetski to Everyone:

you can do sailboating at TSR, Camp Bashore's lake is smaller than Lake Trexler and they do it.

20:40:43 From Max Barone-Camp Trexler to Everyone:

it did you come to this meeting without specifics then Mr.cool?

20:40:48 From Magena Clemente Pack 86 to Everyone:

It is worth more points in their scoring than the Cub Camp!!

20:40:55 From Max Barone-Camp Trexler to Everyone:

specifics\*

20:40:58 From Ben Glueck - Camp Trexler Program Director to Everyone:

Why has Minsi had such a hard time building and getting permits in the past?

20:41:04 From Matthew Nuzzi to Everyone:

Canoeing, sailing, kayaking, rowing, etc require the lake

20:41:28 From Jim Swain T3193 to Everyone:

I took small boat sailing at TSR as a youth. The size and location of the lake there doesn't work there.

20:41:29 From Ben Glueck - Camp Trexler Program Director to Everyone:

Who rated this?

20:41:31 From Chris Lubenetski to Everyone:

kayaking is done at TSR as well

20:41:40 From Magena Clemente Pack 86 to Everyone:

Minsi scored more points for its big lake than Trexler received for having the pool, nature lodge, and Cub Camp. How does that make sense?

20:42:06 From Mark Kimoto to Everyone:

canoeing and kayaking can be done at lake trexler! in addition to other facilities not at minsi like the cope course

20:42:07 From Matthew Nuzzi to Everyone:

Quality of the merit badges are important aswell, lifesaving is intended for a lake

20:42:18 From Ben Glueck - Camp Trexler Program Director to Everyone:  
Why has Minsi had such a hard time building and getting permits in the past? And who rated these facilities?

20:42:33 From Harriet Barone - T101 to Everyone:  
Isn't there a development on the other side of the lake? Strangers are using the lake at the same time as our Scouts? How can we expand the program?

20:42:50 From Max Barone-Camp Trexler to Everyone:  
why have you not made the calculation?

20:43:01 From Edward Miller - Trexler Camp Staff to Everyone:  
So the youth will be able to sail out of sight of water front?

20:43:20 From Magena Clemente Pack 86 to Everyone:  
What about the fact that 1 camp caters to ALL scouts? It is all inclusive.

20:43:40 From Magena Clemente Pack 86 to Everyone:  
\*fact

20:43:44 From megan smith--32 to Everyone:  
What are other councils doing to raise their share of the money?

20:43:59 From Ben Glueck - Camp Trexler Program Director to Everyone:  
What about the largest deposit of natural sand at Sand Springs? That's an ecological pro to having Trexler

20:44:00 From Magena Clemente Pack 86 to Everyone:  
Well said Doug!!

20:44:12 From Mark Kimoto to Everyone:  
^^ to ben,Ãs point

20:44:17 From Matthew Nuzzi to Everyone:  
ppc sold its adventure camp Sabattis located in the adirandeks

20:44:26 From Edward Miller - Trexler Camp Staff to Everyone:  
Did we get an evaluation by a biologist or ecologist to discuss the diversity?

20:44:47 From Gabrielle Mikuchonis to Everyone:  
I hear Trexler's dining hall sits 500 people

20:44:50 From Nicholas Harms - Trexler Staff to Everyone:  
I agree with Doug, I want an in-person discussion, maybe at Camp Trexler? We do have two dining halls to choose from

20:44:52 From Ben Glueck - Camp Trexler Program Director to Everyone:  
You should have planned this BEFORE THE ANNOUNCEMENT

20:44:58 From Bill Lamberti T50 to Everyone:  
Can we hold an open air mtg at settlers dining hall?

20:45:01 From Jacob Hausman to Everyone:  
Why couldn't we communicate before the decision?

20:45:06 From peter felton pack 32 to Everyone:  
we want and in person so you cant ignore us

20:45:11 From Max Barone-Camp Trexler to Everyone:  
to ed Miller's point who evaluated the diversity

20:45:17 From Magena Clemente Pack 86 to Everyone:  
Definitely dropped the ball on planning.

20:45:33 From peter felton pack 32 to Everyone:  
why did it take a month to even have this session

20:45:50 From Ben Glueck - Camp Trexler Program Director to Everyone:  
If we can't trust you to handle this, we can't trust you to make a sound decision that requires even MORE work.

20:46:12 From Bill Lamberti T50 to Everyone:  
The rating chart & polling could easily be shared with all active council members

20:46:19 From AJ Renn- Head Commissioner TSR to Everyone:  
agreed

20:46:31 From megan smith--32 to Everyone:  
google form?

20:46:34 From Bill Lamberti T50 to Everyone:  
You can poll all of us and get feedback

20:46:36 From Timothy Lloyd to Everyone:  
Why did the people at the meeting have to sign a non disclosure?

20:46:36 From Mark Kimoto to Everyone:

Completely agree with Doug,Âs point

20:46:38 From Magena Clemente Pack 86 to Everyone:

Absolutely!

20:46:40 From JT Cullen- Crew 940/Camp minsi to Everyone:

facts

20:46:45 From peter felton pack 32 to Everyone:

A Facebok dump is not they way you drop this news

20:47:07 From Daniel Riggins - Akelaland Staff to Everyone:

a scout is courteous

20:47:19 From Nicholas Harms - Trexler Staff to Everyone:

And a huge disservice to camp staff. I have worked at Trexler since 2014 and I did not appreciate learning in this manner

20:47:28 From peter felton pack 32 to Everyone:

Why did you take a month to address the members

20:47:43 From AJ Renn- Head Commissioner TSR to Everyone:

There a lot of them but you have skipped them

20:47:44 From Harriet Barone - T101 to Everyone:

What happens to camp staff??

20:47:46 From Timothy Lloyd to Everyone:

Why did the people at the meeting need to sign a non disclosure?

20:47:50 From Trey Wachob - Akelaland Staff/Lodge Chief to Everyone:

Have we added up the total costs of each camps improvements? To see which one would cost more to fix

20:48:07 From peter felton pack 32 to Everyone:

do you think facebook was the proper way to release this info

20:48:07 From Edward Miller - Trexler Camp Staff to Everyone:

Please explain where in the by laws it says that CORs only vote for board members once a year

20:48:09 From Timothy Lloyd to Everyone:

The meeting that decided to close the camp

20:48:31 From JT Cullen- Crew 940/Camp minsi to Everyone:  
how/will will summer 2022 be affected

20:48:35 From Harriet Barone - T101 to Everyone:  
What will happen to Camp Trexler & Akelaland staff in the future?

20:48:35 From Laila Labib - Akelaland Staff to Everyone:  
what camp staff will remain loyal to a council that sells their home?

20:48:38 From Ben Glueck - Camp Trexler Program Director to Everyone:  
Do voting board members have to members of scouting?

20:48:40 From AJ Renn- Head Commissioner TSR to Everyone:  
So they will just be told to go to a new camp? I hope a raise is involved

20:48:40 From Max Barone-Camp Trexler to Everyone:  
why have the staff not had a meeting to voice there questions???

20:48:41 From Edward Miller - Trexler Camp Staff to Everyone:  
The by laws don't say that

20:48:48 From Tommy Zukowski - Camp Minsi to Everyone:  
we need an in person meeting

20:48:58 From peter felton pack 32 to Everyone:  
how do board candidates get selected to be voted on

20:49:00 From Mark Kimoto to Everyone:  
can you speak to ben,Âs point from earlier on the difficulty of construction and obtaining permits at camp minsi

20:49:26 From Gabrielle Mikuchonis to Everyone:  
So is TSR

20:49:50 From Ben Glueck - Camp Trexler Program Director to Everyone:  
Do they have to be members of scouting?

20:50:07 From AJ Renn- Head Commissioner TSR to Everyone:  
I thought you had to donate \$10,000 to be on the board

20:50:17 From Heather Heeter to Everyone:  
Camp Minsi is mostly wetlands, this is why building and permits is so difficult.

20:50:24 From Ben Glueck - Camp Trexler Program Director to Everyone:  
Do they have to be members of scouting THEMSELVES?

20:50:27 From Yemm T146 to Everyone:  
Does the Advisory Board still exist?

20:50:44 From Ben Glueck - Camp Trexler Program Director to Everyone:  
You didn't answer the PPP question

20:50:59 From Magena Clemente Pack 86 to Everyone:  
My so is an Eagle Scout too. Having an Eagle Scout and being in touch with the Cub Scout programs are 2 different things.

20:51:00 From peter felton pack 32 to Everyone:  
Who can we address the problems with the executive staff with or should be call the national hot line?

20:51:08 From Harriet Barone - T101 to Everyone:  
If Camp Minsi is mostly wetlands, how is keeping it a good decision?

20:51:46 From Ben Glueck - Camp Trexler Program Director to Everyone:  
Sand Springs has ecological diversity

20:51:53 From Miller Pack 57 to Everyone:  
what is diversity in terms of wetlands?

20:51:58 From Timothy Lloyd to Everyone:  
Can we get an actual 5 year plan?

20:52:03 From Magena Clemente Pack 86 to Everyone:  
I think before you sell TSR, you need a solid plan for the cubs.

20:52:07 From Heather Heeter to Everyone:  
Does Minsi have bog turtles, or red belly turtles?

20:52:10 From Timothy Lloyd to Everyone:  
10 year plan?

20:52:14 From Harriet Barone - T101 to Everyone:  
Do we know the percentage? Will building be impacted? How can we "regenerate" a Cub Camp there?

20:52:16 From Max Barone-Camp Trexler to Everyone:  
I'm sorry water lands? please define

20:52:18 From Kasey Pohl - Akelaland Staff to Everyone:

Is there a game plan for Cub Scout Resident Camp at Minsi???

20:52:22 From Kaeli Waldstein- T85G/Trexler Staff to Everyone:

and how does the wetland at trexler not provide diversity but the wetland at minsi does?

20:52:25 From peter felton pack 32 to Everyone:

why did Rick tell the paper no changes will be made?

20:52:31 From Chris Lubenetski to Everyone:

You only need to go to the township that you are doing construction within. Not both, it is considerate to go to both.

20:52:52 From Gabrielle Mikuchonis to Everyone:

can we see that plan

20:53:14 From Ben Glueck - Camp Trexler Program Director to Everyone:

Let the three Camp Directors talk about Camp Staff, you ignored that part

20:53:28 From Ben Glueck - Camp Trexler Program Director to Everyone:

It wasn't two years

20:53:30 From Laila Labib - Akelaland Staff to Everyone:

Let the camp directors speak

20:53:35 From Tommy Zukowski - Camp Minsi to Everyone:

^

20:53:47 From Ben Glueck - Camp Trexler Program Director to Everyone:

but also, they started this process in January 2021

20:53:49 From Michael Enochs to Everyone:

Let the camp directors speak

20:53:52 From Ben Glueck - Camp Trexler Program Director to Everyone:

so it wasn't two years

20:53:52 From Edward Miller - Trexler Camp Staff to Everyone:

What are you doing with two rangers. Who has to go?

20:54:01 From Miller Pack 57 to Everyone:

We were told local council was separate from National. Why is local council linked to the national now?

20:54:27 From JT Cullen- Crew 940/Camp minsi to Everyone:  
the ranger question is a good one

20:54:31 From peter felton pack 32 to Everyone:  
would board members be willing to come to akelaland and see they  
kids they will take camp away from

20:55:01 From Miller Pack 57 to Everyone:  
Thanks for clarifying!!!!

20:55:17 From Magena Clemente Pack 86 to Everyone:  
Great Dennis, come visit my pack week 2!

20:55:20 From Daniel Riggins - Akelaland Staff to Everyone:  
then who can?

20:55:26 From peter felton pack 32 to Everyone:  
we have tigers going up this year for the first year how do we tell  
them this will be the last year

20:55:27 From Ben Glueck - Camp Trexler Program Director to Everyone:  
Rick Christ could answer that though

20:56:18 From Doug Wootton Troop 51 to Everyone:  
So go out of council?

20:56:21 From Magena Clemente Pack 86 to Everyone:  
Teach them to enjoy the experience that they may not have next  
year!

20:56:25 From Gabrielle Mikuchonis to Everyone:  
so settle for a lesser product

20:56:40 From Trey Wachob - Akelaland Staff/Lodge Chief to Everyone:  
Have we added up the total cost to make the improvements on each  
camp? To see which camp would cost more to fix

20:56:42 From peter felton pack 32 to Everyone:  
it breeds longevity in scouting and if we tell them next year they  
cant go back they could leave

20:56:42 From Edward Miller - Trexler Camp Staff to Everyone:  
everything that is being shared is a what if or a sometime in the  
future. We need answers now so we can plan.

20:56:45 From Harriet Barone - T101 to Everyone:

I think we can agree that BSA, MTC and all councils have a legal and moral obligation to the Scouts who were abused in the past. We're trying to say that hurting Scouts now isn't the way to do it.

20:56:53 From Chris Lubenetski to Everyone:

Way to promote going out of council.

20:56:54 From Doug Wootton Troop 51 to Everyone:

But there wont be a cub camp in council

20:57:00 From Adam Mikuchonis to Everyone:

NO ONE does what WE DO

20:57:08 From Kaeli Waldstein- T85G/Trexler Staff to Everyone:

^^^

20:57:13 From Max Barone-Camp Trexler to Everyone:

so you are acctivly discouraging staying in coucil

20:57:22 From Laila Labib - Akelaland Staff to Everyone:

how can you teach a cub scout to enjoy camping without having a familiar place to continuously return to like Akelaland?

20:57:24 From Adam Mikuchonis to Everyone:

That's Minsi and TSR

20:57:25 From Mark Kimoto to Everyone:

out-of-council troops come to US at settlers because we do what no one else does

20:57:29 From Ben Glueck - Camp Trexler Program Director to Everyone:

Then PROVE it

20:57:44 From Magena Clemente Pack 86 to Everyone:

Going out of council on a Troop level and a Cub level are 2 COMPLETELY different things.

20:57:49 From Chad B Seibert to Everyone:

Has there been any consideration of financially perusing those personally responsible for the abuse in our council?

20:57:49 From peter felton pack 32 to Everyone:

What is council doing to bring in new youth because on the cub side we keep seeing the program shrink

20:57:51 From Ben Glueck - Camp Trexler Program Director to Everyone:  
I see you see my comments but ignore the ones you don't wanna answer

20:57:52 From Heather Heeter to Everyone:  
Then be honest and upfront with us!!!

20:58:01 From Michael Enochs to Everyone:  
I,Ãm confused how are we supposed to run a program with the thought of our camp being sold in our heads

20:58:03 From Gabrielle Mikuchonis to Everyone:  
Let us see the membership plan

20:58:23 From Magena Clemente Pack 86 to Everyone:  
Are you going to post the membership plan on Facebook?

20:58:23 From peter felton pack 32 to Everyone:  
I attend the membership meeting it all falls on the units

20:58:30 From meghan smith--32 to Everyone:  
Have you considered how hard you are making recruitment?

20:58:37 From Jacob Hausman to Everyone:  
Why does the Minsi Trails council facebook page actively post everyday now? Is it to push down the announcement that was posted on facebook

20:58:42 From Ben Glueck - Camp Trexler Program Director to Everyone:  
Let the Camp directors speak, if you're afraid of me talking, I'm not referring to me as the program director, I mean, Adam, Lisa, and Foof

20:58:58 From Michael Enochs to Everyone:  
Let camp directors speak

20:59:02 From Magena Clemente Pack 86 to Everyone:  
Yes, let the camp directors speak!

20:59:06 From Heather Heeter to Everyone:  
Asking us to do more for a Council that does not respect us or our opinions.

20:59:10 From Laila Labib - Akelaland Staff to Everyone:  
Let camp directors speak

20:59:12 From Chris Lubenetski to Everyone:

Is council going to fund TSR for this summer to keep the program's high standards??

20:59:13 From peter felton pack 32 to Everyone:

so then why do we need paid scooters if the units need to do the work

20:59:23 From Lauren Kade- Akelaland Staff to Everyone:

Will there be a separate zoom meeting to address the questions of camp staff? Was that agreed on? I'm sorry if this was answered already.

20:59:23 From Chad B Seibert to Everyone:

Has there been any consideration of financially perusing those personally responsible for the abuse in our council?

20:59:24 From Daniel Riggins - Akelaland Staff to Everyone:

When I was a cub, the main selling point was Akelaland summer camp, that is how we recruited, now it is going to be gone

20:59:29 From Max Barone-Camp Trexler to Everyone:

let the camp directors speak they are all here

20:59:37 From AJ Renn- Head Commissioner TSR to Everyone:

What do you guys have somewhere to be

20:59:40 From Timothy Lloyd to Everyone:

Let the directors speak

20:59:49 From Michael Enochs to Everyone:

Let the directors speak

20:59:52 From Kaeli Waldstein- T85G/Trexler Staff to Everyone:

Let the directors speak

20:59:58 From Magena Clemente Pack 86 to Everyone:

Let the camp directors speak

21:00:01 From Nicole Hart to Everyone:

Please let the directors speak

21:00:08 From Doug Wootton Troop 51 to Everyone:

Let the directors speak

21:00:12 From Chris Lubenetski to Everyone:

Is council going to fund TSR for this summer to keep the program's high standards??

21:00:12 From Harriet Barone - T101 to Everyone:

Let the Camp Directors speak

21:00:13 From Alex Heeter to Everyone:

let Adam speak

21:00:17 From Greg Larason, Camp Minsi Program Director to Everyone:

Who can we reach out to engage in a personal conversations about the situation and to get answers and clarity to questions beyond this type of meeting?

21:00:20 From Daniel Riggins - Akelaland Staff to Everyone:

let the directors speak

21:00:23 From Magena Clemente Pack 86 to Everyone:

This was a meeting for camp staff, wasn't it??
